1.0 Set up of KERN Easy Touch

A proper user account is required to download the application from any store. The Basic ET – License [SET – 01] is always required since it's the base for working with KERN Easy-Touch.

1.1 Download and Installation

• Go to the Microsoft store and search for the Kern Easy Touch 2.0 in the search bar.

• Then there you can Easy Touch 2.0 application which is ready to install. There click on "install"
